

STEPS TO SUCCESS

STEP ONE – FIRST ROUND

The prospective member discusses their work experience and desire to enter the senior care industry with one of our business development managers. The prospective member then completes the Pre-Qualification Form; and submits evidence of their financial capability (\$35,000) in the form of bank statements, credit cards, loan, etc. We offer financing for those with a credit score of 710 or higher (no exceptions).

STEP TWO – SECOND ROUND

The prospective member meets with the President of StartupHomeCare. This is a formal opportunity for the member prospect to help AHI Group, Inc understand more about their background and understand more about the prospect's desire to be part of the care industry. It is also an opportunity for the member prospect to find out more information about AHI.

Once the prospective client has notified AHI that they would like to be considered as a member, their application packet is submitted to the AHI New Member Board for review. If the prospective member is approved to become part of AHI they can then sign the AHI Member Agreement and pay their 50% deposit to get started!
